

Enhance Your Aurea Solution with World Class Professional Services

Aurea Compliance Manager Business Value Acceleration Propack for Life Sciences

Your success depends on bringing life-enhancing therapies to market faster, safer, and more efficiently. And, with increased regulatory pressure and complexity, compliance is more than just managing documents—it's a real science that taxes your technologies and processes, forcing you to move fast to keep pace.

Aurea Propacks are designed to deliver the professional services you need to accelerate your compliance priorities, giving you complete confidence in your clinical, regulatory, and quality capabilities. Where traditional professional services solutions are expensive, unpredictable, and provide inconsistent resource quality, Aurea Propacks eliminate risk, improve quality, and remove unwanted financial uncertainty.

With the Aurea Compliance Manager (ACM) Business Value Acceleration Propack from Aurea Life Sciences, you'll be able to meet all of your document management needs by tapping into tailored professional services designed with your industry and solutions in mind. It's the most cost-effective and flexible way for Life Sciences clients to realize their business and technology goals.

Results-oriented approach to simplify services engagements

The ACM Business Value Acceleration Propack includes a flexible, pre-set quantity of Service Request points to spend each quarter, however you see fit. Use requests for the specific services you need—and if you spend them all, it's easy to buy another Propack with the same benefits.
